Where will we meet?

We will meet at Kristiansand Airport, Norway where we expect to leave at around 19:00. We will travel by rental car directly to our accommodation (a journey of about 1 hour). On the last day, we will depart from our accommodation at around 11:00 and will look to be in Kristiansand Airport at around 12:30.

What flights do I take?

This obviously depends on where you leave from, and the flights may change. The flight that I will use is as follows:

Wednesday, Jan 29:

London Heathrow - Kristiansand (11:45 - 17:35)

Sunday, Feb 2:

Kristiansand - London Heathrow (18:05 - 20:50)

If you would like help with selecting your flight, please get in touch.

Do I need to hire a car?

No need to hire a car. Transportation from the airport and to the hides is included. Also, our host will take us to the shops to purchase any food and groceries.

What accommodation is included?

We will be using a small 4-room apartment that is close to the hides and to which we get taken every day after the hide sessions. Some images are available on the website's gallery.

What meals are included?

All meals are included. We will stop at the stores on the way in and purchase food for the group which we will then cook together. Lunch is eaten at the hides so probably best to make sandwiches. You should purchase any snack you would like for the hide sessions.

What camera and lenses are recommended?

Anything from 300-500mm will work for this tour, not forgetting an extender for additional reach. You may want to bring some additional lenses if you would like to do other forms of photography.

Is a tripod necessary?

A gimbal head or a bean bag can be used in the hides.

What costs outside of what's advertised should I prepare for?

You should budget for your flight, snacks for the hide, drinks for the hide and anything else that you would like to buy of a personal nature.

What will the weather be like?

At this time of year, we expect a reasonable to heavy amount of snow. This means that the days and (especially) the nights can be quite cold. However, the hides have heating and the accommodation is well insulated from the cold as is normal in these Norwegian houses.
